BOAT SALES

LAKELAND LEISURE ESTATES

Description

Step aboard Free Spirit, a charming 42ft cruiser stern narrowboat built in 1997 by John White and fitted out by Triton.

On board, the boat offers comfortable accommodation for two with a double bed in the master bedroom, ample storage including an electrical cupboard with a hanging rail, a shoe cupboard, and a radiator for added warmth.

The bathroom includes a cassette toilet, shower with curtain, sink with vanity unit, and a four-drawer storage unit.

The galley is well-equipped with a 4-burner hob, separate oven and grill, 12v fridge, microwave, and even a built-in wine rack. There's generous storage both above and below the counter. Opposite the sink, a side hatch adds light and ventilation to the space.

The lounge provides a relaxing retreat with two reclining armchairs, a TV unit, ottoman box, and an Arden multi-fuel stove for cosy evenings aboard. Power is supplied by a 240v shoreline, 12v internal system, and a solar panel. Three new leisure batteries (May 2025) and a galvanic isolator are also included for peace of mind.

Heating and hot water are provided via a Webasto system serving two radiators, engine, immersion, and calorifier. Two 13kg gas bottles supply the galley appliances.

A new set of pram and cratch covers being fitted in August 2025, supplied by Harris Hoods and already paid for, will be included in the sale.

Perfect for weekend escapes or longer cruising, Free Spirit is ready to set off on new adventures with her next owner. Viewings are highly recommended.
